

YOUR CHILD CARE FACILITY MAY BE ELIGIBLE FOR RELIEF BUT YOU MUST ACT

The Municipality of Anchorage has Coronavirus Aid, Relief, and Economic Security (CARES) Act funds available to:

- reduce fees and tuition for families in need
- pay your staff for COVID-19 safety measures
- pay rent and utilities to keep your facility open

United Way of Anchorage will email you a login and password to access the online application. If you don't receive the email by August 3, please email ChildCareFunds@ak.org.
