## Accessing Learn & Grow Trainings on the Department of Health Website

Quick Link: https://learn.dhss.alaska.gov/.

Once on this site, providers will need to create an account and then sign in.

The Learn & Grow training can be found by clicking on "Find Your Course Here" and then under the "Public Assistance" Section.

Providers will need to complete Lesson 1, the Final Quiz and the DPA CCPO Evaluation before they are able to download/print their Certificate of Completion. (Pictures below).

Providers should then upload this final certificate to their SEED profile or email to their thread specialist.
