The weekly cost of a nonprofit child care

- **$1,511** salaries & benefits (no benefits offered, median wage of a child care worker in North Dakota is $11.19)
- **$300** facility & supplies
- **$100** utilities
- **$0** food (after meal reimbursement)

**$1,960** weekly revenue ($140 per child x 14 children = $1,960)

**$1,911** total weekly cost

**$49** money left to make repairs, buy additional supplies, increase wages, etc.
