JOIN US

You're invited to join thread as a sponsor and attendee of the 2024 thread Awards.

At thread, we appreciate the importance of recognizing outstanding individuals and programs in the child care industry. That is why, under the direction of our Board of Directors and leadership team, thread launched an awards program in 2015 to highlight those who are excelling professionally and providing the highest quality care.

When we celebrate the achievements of our top performers, we grow as an industry. Will you join us in honoring Alaska's child care leaders in the 2024 thread Awards program?

As a sponsor, you'll support this event and the early childhood educators and programs who provide high-quality child care for Alaska's children and families. Attached you will find detailed information about the sponsorship benefits and packages available. If you don't see an option that fits your needs, please let us know and we can customize one specifically for you.

To secure your sponsorship, please complete and return the enclosed form. Thank you for partnering with us!

Cindy Harrington
Heart & Mind Award

thread launched this award in 2015 in honor of the late Cindy Harrington, founding mother of early childhood education in Alaska and former member of thread's Board of Directors. This award honors a professional in early childhood education who is committed to professional growth despite harships or challenges, and is creating a brighter future for the young children of Alaska.

Quality Improvement
Program of the Year Award

thread launched this statewide award in 2017 to recognize both an early childhood education program and family child care program that has demonstrated a strong dedication to continuous quality improvement and has made exceptional progress in the past year through Learn & Grow, Alaska's Recognition and Improvement System.
