GLOSSARY OF TERMS

Alaska Early Childhood Administrator Credential (AK-ECAC) – Specific training and/or university coursework that provides center or family-based administrators with leadership skills and knowledge to enhance family engagement practices, personnel and fiscal management, classroom design, child development, and advancing the professionalism of staff.

CDA (Child Development Associate Credential) – To learn more about the CDA, visit www.CDACouncil.org

Credits and/or Degrees – All credits and degrees must be*transcribed from an accredited college or university; visit <https://ope.ed.gov/accreditation>. Professional Development Courses from a university must be transcribed.

Credit – University-approved increment for a course. Typical courses are three credits (one credit = 45+ hours).

Degree – Completed, approved university program that results in an AA/AAS, BA/BS/BED, MA/MS/MEd and/or doctorate (PhD/EdD).

AA/AAS – 60+ credits

BA/BS/BED – 120+ credits

MA/MS/MEd – 30+ credits post baccalaureate

PhD/EdD – 60+ credits post baccalaureate

EC – Early Childhood (birth through age eight)

ECE – Early Childhood Education (birth through age eight)

GED – General Education Development Equivalent

SA – School-Age (5 through 12 years)

SEED – System for Early Education Development

SEED EC Related Fields – Child Psychology, Early Childhood Education, Early Child Development, Early Childhood Special Education, or one of the following with coursework that addresses health and safety, child development and learning from birth through age twelve: social work, human services, nursing, Montessori, infant mental health, elementary education, school-age education, youth development or recreational/outdoor education.

*Note: Not all courses that are transcribed articulate to a degree.
