

Arctic Explorers Preschool is hiring for the 25-26 SY:

Arctic Explorers Preschool in North Pole is hiring a Lead Teacher for the 2025-2026 school year. Early Childhood/Elementary Education teaching credits (12+ hours) and experience are required. Applicants will be required to pass background check/fingerprinting and CPR training in addition to health and safety training and a mandatory reporting course. Continued professional development hours will be expected each year employed at AEP as being an Educator provides opportunity for continual growth as a leader and a learner.

Arctic Explorers Preschool is an early learning facility where children are provided with opportunities to grow as learners through hands on experiences which prepare them for real life situations. Daily activities inspire leadership qualities and enhance ability levels while ensuring students are not only prepared to enter the elementary level, but do so with confidence in their thinking practices. Arctic Explorers Preschool participates in field trips and community events throughout the school year to help foster a sense of importance and child involvement within the community.

AEP is looking for dependable, hard workers who want to join in on a team of amazing student leaders looking for someone to help inspire their learning and guide them to excellence in early childhood learning. If you feel as if AEP is a good fit for you, please call Susan Grant at 907-750-4308 for more information about the position, or email your resume and cover letter to arcticexplorers@icloud.com. Interviews will be held once a qualified applicant list has been compiled.

School Hours: Monday-Thursday: 8:15am-11:15am and 12:00pm-3:00
Friday: 9-11:30am and 12:00pm-3:00pm

AEP runs off of the Fairbanks North Star Borough School District Calendar schedule. The 25-26 school year will begin in August with staff required to attend an orientation by August 1, 2025.

Pay: \$17-25/hr based off of experience and credentials
